### **ENAV Ranked Among the Top Ten Companies in the ESG Identity Corporate Index 2026 First in the Public Services and Infrastructure Sector and Second Among Medium-Cap Companies**

Rome, 17 June 2026 – ENAV, the company responsible for managing civil air traffic in Italy, has once again been recognized among Italy's leading companies for ESG integration, ranking eighth in the 2026 ESG Identity Corporate Index (ESG.ICI).

Developed by ET.Group, the ESG Identity Corporate Index assesses companies' ESG identity by evaluating the processes, governance systems and organizational structures that support the creation of sustainable value. ENAV also ranked first in the "Public Services and Infrastructure" category and second among Medium-Cap companies. Furthermore, the Company confirmed its position as the leading performer in the aviation sector.

The 2026 edition of the Index recorded a record participation of 109 listed and privately held companies, further strengthening its role as one of Italy's leading benchmarks for assessing corporate ESG maturity.

The recognition received by ENAV reflects the strength of the Company's commitment to embedding environmental, social and governance principles into its business strategy and decision-making processes. This approach continues to reinforce a business model focused on creating long-term value for all stakeholders.

ENAV's performance in the ESG Identity Corporate Index is part of a broader journey that has earned the Company significant national and international recognition in the ESG arena in recent years. These achievements are the result of initiatives aimed at reducing the environmental impact of air transport, promoting people development, driving technological innovation and strengthening the highest standards of corporate governance.

Through its Sustainability Plan, ENAV continues to pursue ambitious goals in decarbonization, operational efficiency, inclusion, skills development and transparency, contributing to the sustainable transformation of the aviation sector and supporting Italy's sustainable growth.

The result achieved in the 2026 ESG Identity Corporate Index further confirms ENAV's role as a benchmark among Italy's strategic infrastructure companies, combining operational excellence, innovation and sustainability within an integrated long-term vision.
